## PRACTICAL DATA

VISION CITY CHURCH Team Applicant,

We are excited that you are interested in being involved with the VISION CITY CHURCH ministry. Here are a few reminders of the commitments required of each team member:

### 1 SPIRITUAL COMMITMENT

Understand that the same standards of personal conduct that apply to Pastor Garid also apply to every member of the VISION CITY CHURCH ministry team. Please note that if you do become part of this team, that you are immediately placed in a position that requires an even greater level of responsibility and accountability before the Lord and His people.

### 2 PRACTICAL COMMITMENT

VISION CITY CHURCH team members are required to be at the church at the appointed time for their department. Punctuality is a must!

VISION CITY CHURCH requires all team members to be background checked. When your application is turned in, further info will be given on how you can proceed with the screening.

The information contained in this application is correct to the best of my knowledge. I authorize any references listed in this application to give any information that they may have regarding my character and personal relationship with Jesus.

In this ministry I will support the leadership of VISION CITY CHURCH. If my application is accepted, I understand the impact my private life will have on this ministry, and those who I may not even know personally who attend VISION CITY CHURCH. Thus, I will do my best to seek the Lord with all of my heart, soul, and mind.
